

Peacock Horticultural Nursery Inventory 03/30/2024

Only open by appointment. Please
Book your appointment online at
peacockhorticulturalnursery.com

(Our inventory changes daily so plants on this list may be sold out. I do pretty well with adding new plants to this inventory, but I am not very good about taking plants off the list when they are sold.)

Please be aware that **we do not have a bathroom available for any customers.**

~~We are not able to hold plants and please be prepared to take all plants with you upon checking out.~~
